

MLS Support for virtual conferences, courses and webinars

Budget

- Max. CHF 1'000 per application
- Support of 15-25 students per year depending on distributable budget

Application (max. 2 pages)

- Letter of motivation (Reason for attending this conference/ online course/ webinar? Which benefit is expected?) max. 1 page
- List the following information:
 - Your first and last name
 - Title of your dissertation project
 - Research group
 - Starting date
 - Costs of virtual conference/ course/ webinar
- Statement of the applicant's voluntary contribution to the MLS program. In case the applicant has contributed to the MLS program, a 15% retention fee normally covered by the applicant will be waived.
- Flexible application: Applications may be submitted at the first day of each month (starting June 1, 2020). If possible, applications should be submitted before the event takes place.
- Each student may apply once.

Selection process

- Selection committee: two PIs (one each from ETH and UZH) and one PhD student
- Completeness of application
- Significance of the event for the applicant's project
- Voluntary contribution to the MLS program (compulsory duties, such as attendance of courses or retreat, are not considered a voluntary contribution).
